Second Circular

General Information

The third international workshop on “State of the Art in Nuclear Cluster Physics” will be held at the [KGU \(Kanto Gakuin University\) Kannai Media Center](#), Yokohama, Japan, during May 26-30, 2014. The first workshop of the series was held in [Strasbourg in 2008](#) and the second one was in [Brussels in 2010](#). After these two successful workshops, we hope to discuss the present status and future perspectives of the nuclear cluster physics.

Important Dates

Dead line for abstract submission: Feb. 20.

Selection of the oral and poster presentations: Mar. 31.

Early Registration: Apr. 30

Workshop Schedule and Social Events

We will have the invited and oral presentations in May 27-30. We also have a welcome reception in the evening of May 26, and a banquet dinner on May 29. Scientific program will be announced in the next circular.

Conference Site

The conference site is KGU (Kanto Gakuin University) Kannai Media Center, which is located on the 8th floor of Yokohama Media Business Center (YMBC), Yokohama, Japan. It takes about 1hr and 50 minutes from Narita airport and 40 minutes from Haneda airport by trains. Details on the conference site and access are given in our web sites:

http://kguramo.kanto-gakuin.ac.jp/sotancp3/?page_id=65

Invited Speakers

List of confirmed invited speakers is on our web page:

http://kguramo.kanto-gakuin.ac.jp/sotancp3/?page_id=143

Registration

Online registration for SOTANCP3 will be available from Jan. 20 on:

<https://v3.apollon.nta.co.jp/gensikaku2014/joho?MODE=top&language=1>

The registration fees cover abstract book, proceedings, welcome reception, coffee breaks and banquet dinner. The registration fees for accompanying persons cover welcome reception, coffee breaks and banquet dinner. The fees are listed below and credits cards are available for online payment.

	Early registration (before Apr. 30)	Regular
Participants	20,000 yen	25,000 yen
Students	10,000 yen	10,000 yen
Accompanying person	9,000 yen	9,000 yen

Abstract submission

The abstract format for SOTANCP3 and the on-line submission are also available after the registration to the web site

<https://v3.apollon.nta.co.jp/gensikaku2014/joho?MODE=top&language=1>

The deadline for the submission is Feb 20.

Accommodations

The participants can also reserve the accommodations on the registration web site ;

<https://v3.apollon.nta.co.jp/gensikaku2014/joho?MODE=top&language=1>

Student support

Financial support for local expenses is planned for students and graduate students. The details will be announced at our Web.

Proceedings

The proceedings will be published from IOP.

Sponsors

The SOTANCP3 is sponsored by CNS (Center for Nuclear Study, University of Tokyo) and RCNP (Research Center for Nuclear Physics, Osaka University).
